**Orientation
Class
Breakdown**

Monday – First Aid (8 hours)

Tuesday – CPR, AED (8 hours)

Wednesday – Rough Terrain Fork Lift (8 hours)

Thursday – OSHA (8 hours)

Friday OSHA 10 (4 hours) Tool Safety (4 hours)

These classes typically have openings sufficient to accommodate last minute walk in participants (no deposit required). Journeyman can attend 1 or any combination of these classes. All classes start at 8:00 am. All participants must be signed in by 8:00 am for class credit.

First Aid, CPR, & AED are offered as a single class, both days (participation) are required for certification. All classes require a passing score on final exam for certification/qualification.
